

Become part of our international dynamic and creative team in **Munich** as:

Working Student Product Management (m/f)

You will contribute to the development of our Online Dating Services. Having an impact from the start, you'll be working both independently and with a team of experts from UX, Analytics, Marketing, Software-Development and CRM.

Who we are

- We are a successful top ten global dating player with multiple products in 35+ countries and expanding.
- We are a team of over 120 people, based in Munich, with English as our working language and over 40 nationalities.
- A Kununu top company and one of the best rated internet companies.

What we offer

- The security of a successful global company
- Both, standard tasks as well as creative work
- Flexible working conditions
- An office in the heart of Munich with free coffee, soft drinks and fresh fruit every day as well as regular team events (and of course - Beer!)

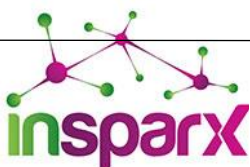

Your role

- Supporting Product Owners in the writing of user stories
- Monitoring of selective KPI's
- Managing translations in our service backend
- Performing competitive research and documentation

Your background

- At least 15 hours per week available
- Passion for Internet and interest in trends and companies within the Internet industry
- Detail oriented but also focused on results
- Very good English (English is our working language)
